About Todd

I get up every morning to inspire people to live drug free and make a profound impact on the lives of others through helping them think and act in a life-changing way. My passion for inspiring lasting change comes from 25 years of sobriety, real life experience, education, and the ability to relate in a real and uplifting way."

Todd has over 20 years experience helping youth. Todd is uniquely qualified to help youth and adults as he's dealt with and overcome many of the same struggles that plague today's youth. Todd relates to teens and adults because he's real & shoots it straight in a compelling way! Todd has the ability to develop trusting relationships through non-threatening communication that gets to the root of a person's struggles.
